16423 Dogwood Ln
Arlington, WA 98223

Skills

– PHP
– HTML/CSS/SCSS
– JS/jQuery
– Apache configuration
– UNIX command line
– Bash scripting
– Photoshop
– Sketch
– HTML Emails

Hobbies

– PC building
– Auto repair
– Digital art
– Video games

I'm a Washington state native who is passionate about web development and always ready to take on the next challenge.

My skills include backend and frontend development, as well as web server management and PC repair. I am very familiar with WordPress, and developing custom themes and plugins.

Professional Experience

Jan. 2013 – Mar. 2020

Jordan Crown Design
Developer

– Custom WordPress themes and plugins
– Built sites from design mockups
– Occasional Apache and IIS configuration
– Built HTML email newsletters

Education

2012

Everett Community College

Associate of Technical Arts in Computer Information Systems

Volunteer Experience

Jun 2014 – Present

Jet City Roller Derby

Built a new WordPress site to improve site design and admin usability, making occasional updates.
